## *Class of 2023*

The Millennium Fellowship is a semester-long leadership development program. The Class of 2023 will be in session until November 30th. Throughout the program, Millennium Fellows commit to participating in the following activities on-campus and/or online. This graduation checklist is to help you understand and plan for all the different activities that you will be engaging in over the course of this semester.

### ATTEND 6 TRAINING SESSIONS

Between September and November 30, Millennium Fellowship campuses will hold a minimum of 6 training sessions. All Millennium Fellows are required to attend the training sessions.

### ATTEND AT LEAST ONE GLOBAL WEBINAR

The Fellowship will be organizing weekly webinars with global leaders that are working in social impact careers and weekly SDG conversation hours for Millennium Fellows to connect. Millennium Fellows must attend at least one live webinar during the program.

### ENGAGE IN SOCIAL IMPACT WORK

Millennium Fellows work on their projects throughout the semester. Fellows submit a social impact tour article or video to share their work and document their activities in October and a project report at the end of the program.

### ATTEND COMMUNITY EVENTS

The Global Town Hall takes place on August 17th to welcome all the Millennium Fellows Class of 2023. The graduation ceremony will be held on November 17th at 10 am ET. Campuses Directors may host a watch party on campus or virtually for these community events. Mark your calendars!
